WHO?

You, your Jr. High students, and volunteers who want to have an awesome week-end at camp!

WHY?

The entire youth group can come experience camp through big games, ropes course adventures, an intentional community, and chapel services full of praise. From the lake, the trees, the stars, and all the creation that surrounds us, to the relationships we can build at camp, to the fun and crazy times kids can have, everyone has the opportunity to experience Christ in new ways. The unplugged time away from the worries and the distractions of our normal routines allow kids to draw close to their youth groups and more importantly draw close to Christ. We want every kid to leave feeling affirmed, renewed, and having a deeper sense of who they are as a child of God. Help your youth group experience the love of God by signing them up!
