WHERE?

Portage Lake Bible Camp | Onkama, MI

WHO?

You, your elementary school students, and volunteers who want to have an awesome weekend at camp!!

WHY?

We have so many awesome things planned, from crate stacking, to big games, to awesome chapel sessions. Kids will have the amazing opportunity to see God speak through the beautiful nature we have in northern Michigan and the unplugged, intentional community that camp provides for your youth groups. Whether in times of worship and praise, or in times of fun and games, kids will be experiencing the love of God in a new, fun, and exciting way. A retreat at camp provides uninterrupted time away from the worries, anxieties, and distractions of our normal routines and can be a vital piece to your youth group's spiritual journey. Our goal is for every kid to leave camp having seen Christ in a new way: in the stars, in the Word, or through their leaders. Sign up your kids, and give them the opportunity to know God in a new way!
